STATS PASS Benefits:

- ▶ Instant access to the largest sports statistics database ever created with the ability to e-mail, download or print reports
- ▶ Proprietary statistics go beyond regular sports data to help tell the story of success or failure on the field
- ▶ Easy to customize and search data using a flexible online interface that allows for unlimited player and team comparisons
- ▶ Valuable research tool provides answers to "who did what, when?" questions
- ▶ Complete, customizable lists of data

ESSENTIALS:

- ▶ Complete player and team statistics, schedules, standings and box scores from six major sports: NFL, MLB, NBA, NHL, NCAA football and NCAA men's basketball
- ▶ Current and historical data for 366 total seasons of these leagues
- ▶ Team scouting reports and detailed player analysis on every player and every team
- ▶ Complete team and player breakdowns and game-by-game logs
- ▶ STATS reporters gather information at every game and update databases each night

ADVANTAGES:

Access to proprietary STATS PASS X-Info statistics from game-day video not available anywhere else

- ▶ NFL Yards after catch/yards after contact
- ▶ NFL Reason for incompleting (drop, overthrown, batted down, etc.)
- ▶ NFL Broken tackles
- ▶ NFL Direction of each play (broken down by run and pass)

Full current and extensive historical data on six leagues

- ▶ MLB since 1876
- ▶ NFL since 1933
- ▶ NBA since 1946
- ▶ NHL since 1971
- ▶ College Football since 1996
- ▶ College Basketball since 1996

SUMMARY:

STATS PASS is the largest database of sports statistics ever created across six major sports, with historical data going back to the origins of professional leagues, and current information updated nightly.

This research tool for writers, researchers and coaches brings data and ideas together for unmatched coverage including charts.

STATS PASS saves time while providing fast answers to straightforward inquiries. It puts you ahead with access to unique statistics available from no other source.
